Hole #6. Black - 400 yards, Blue - 357 yards, White - 302 yards and Red - 237 yards

Tee box

Approaching the green

Hole #8. Black - 385 yards, Blue - 382 yards, White - 332 yards and Red - 279 yards.

Tip: This hole is a medium length par 4. The driving area will get very narrow about 100-120 yards from the green. Your best tee shot would be to lay back at 140 yards. Your second shot is to a large green with bunkers on the left hand side.

Tee box

Approaching the green

Hole #9. Black - 458 yards, Blue - 434 yards, White - 394 yards and Red - 355 yards

Tip: This is the number one handicap hole for the White Course. The fairway narrows at 150 yards from the green so either leave your tee shot back at 170 yards or for you daring hitters let it fly. Your second shot will be to a green protected by bunkers to the left and front right.
